Price List

Price List Effective Date: March 1, 2012

PO Box 189, McHenry, IL 60051

Visit our website or call our Customer Service Department for additional available products

CHAMBERS AND CANOPIES

The standard chambers are manufactured from 20-mil clear vinyl with a hold down channel on the bottom of the front panel. One or two nipples, based on Style No., are factory installed in the chambers at a customer specified placement. To specify the nipple placement, please note the location the Chamber Specification Form found on our website within the Ordering link. Fax the completed form to our Customer Service Department (*the fax number is shown on the form*). The placement of compression glove rings, doors and air filtration should also be included on this sheet if they are to be factory installed. It is not necessary to complete the Chamber Specification Form for repeat orders without placement changes.

Below are the standard chamber and canopy sizes. Controlled Environment Products will design and construct the chambers and canopies to your specifications. Custom sized chambers and canopies are also available. Please complete the Chamber Specification Form and contact Customer Service for a quotation.

<u>Style No.</u>	<u>Description</u>	<u>List Price</u>	<u>Unit of Measure</u>

Custom Orders and Technical Assistance

If you have a need that cannot be satisfied with a standard item in this price list, the Controlled Environment Products division of Standard Safety Equipment Company would be pleased to design and construct a solution to meet your needs. Please contact Customer Service for more information.

Shipping Information

All orders are accepted F.O.B. Shipping Point (McHenry, Illinois USA). We generally ship via UPS or FEDEX; however, we can usually accommodate your choice of delivery method. Shipping charges are the responsibility of the buyer and shipments can be sent shipping charges COLLECT or PREPAY & ADD. If we are shipping PREPAY & ADD, in addition to the shipping charges, there will be a nominal \$5.00 handling charge per order.

Ordering Information

1. All prices are in U.S. dollars and are subject to change without notice. This price list supersedes all prior price lists.
2. Minimum Order: \$150.00 net. A \$25.00 service charge will be added to orders under \$150.00.
3. Payment Terms: Net 30 Days, subject to credit approval, for orders in excess of \$500.00 net. Orders less than \$500.00 net require credit card authorization at time of order. Credit card will be charged at time of shipment.
4. All orders are payable in U.S. dollars only.

Return Information

Authorization must be secured from Standard Safety before any returns will be accepted. All returns must be made within 30 days of the return authorization date. All goods must be in saleable condition and less than one (1) year old. A restocking charge of 15% - 40% will be applied, depending on the item(s) involved. Unauthorized returns will be refused.

Shortages

All claims for shortage of goods or other errors in the shipment must be presented in writing within ten (10) business days of the invoice date. No claims for shortage or errors will be considered after that date.

Warranty

Data on these products and others, which we may quote, are based on information believed to be reliable. It is the responsibility of the user to select products, which are appropriate for each intended use. As the use of these products is beyond our control, we make no warranty, express or implied, of fitness or suitability of particular purpose or of merchantability, or otherwise. Standard Safety warrants for a period of ninety (90) days after invoice date that all its products are free from defects in material and workmanship. There are no warranties, which extend beyond the fact thereof.
